The National Development Plan (NDP)
Six pillars of the National Development Plan

The objectives of the plan are the elimination of poverty and the reduction of inequality through:

- **Uniting South Africans** of all races and classes around a common programme **to eliminate poverty and reduce inequality**;
- **Encouraging citizens** to be active in their own development, in strengthening democracy and in holding their government accountable;
- **Raising economic growth**, promoting exports and making the economy more labour absorbing;
- **Focusing on key capabilities** of both people and the country with focus on skills, infrastructure, social security, strong institutions and partnerships both within the country and with key international partners;
- **Building a capable and developmental state**; and
- **Strong leadership** throughout society that work together to solve our problems.
14 MTSF Outcomes as implementation framework of the NDP:

1. Education
2. Health
3. Safety
4. Employment
5. Skilled work force
6. Economic infrastructure
7. Rural development
8. Human settlements
9. Developmental local government
10. Environmental assets and natural resources
11. Better South Africa
12. Development oriented public service
13. Social protection
14. Transforming society and uniting the country
